Japanese Jottings.

Saw Francisco, January 8 .- Private advices from Yokohama state that the Japanese government has fixed the

Japanese government has fixed the standard of variation in their silver coinage at 1 to 3 per thousand. Formerly it was 1 to 2. The American is 1 to 3; the English 1 to 4.

Solemn high mass was celebrated at the Catholic Cathedral in memory of the death of King Alfonso. All the dignisaries of the state and imperial household were present. The ceremony was remarkable, from the fact that it was the test one attended by the high Japanese officials since the time of Saint Kavier, 300 years ago.

Smallpox has appeared in several cities. The cholera has entirely disappeared.

He Denies It.

Bullis, January 7.—Raine, United States consul-general in this city, denies that he is in any way connected with the Cincinnati correspondence defam-ing Pendleton. United States minister to Germany. Raine says he has quit journalism and written nothing for the press since last May. The whole matter appears to him to be a plot of evil-minded persons. He says his relations with Pendleton are of the most friendly character.

Women for Women

New York, January 8 -The women's suffrage committee, at its meeting last evening, passed resolutions denouncing the pending bill to take the suffrage from the women of Utah, calling on New York Senators and Representatives to oppose it, and declaring woman's suffrage the true cure for polygamy. The request was telegraphed to Senators Everts and Miller, at Washington.

The Storm

LINCOLS, Neb., January 7 .- Another storm began last night and prevailed all day, putting a complete stop to the traffic and trains. Not a great deal of anow has failen, but it is fine as dost and drifts badly. The temperature is below zero, and falling with no signs of substement.

A Cave-in.

SHENANDSAH, Pa., January 7.-A cave-in occurred at Boston Bun, near Mahoney City to day, and a block of course went down out of sight. The narrow escape. The surface is still cav-ing and five more blocks are expected to g down.

Falling.

Pear Descert, Md., January 7 .- The Susquehanna liver has been falling steadily all day, and is now but four or five feet above low water mark. All apprehensions of danger are over. Reports from an the river indicate a general subsiding at all points.

Fire

Burrano, N. Y., January 8.—The St. James Hotel, at Batavia, was entirely destroyed by fire early this morning. There were many narrow escapes. Two men jumped from the fourth story and were severely injured. Loss, about \$59, 600; insurance, \$25,000.

OR SKIN CANCER.

For seven years I suffered with a cancer on my face. All the simple remedies were applied to alleviate the path, but the place continued to srow, further place continued to srow, further place continued to srow, further place continued to store the path, but the place continued to seven further place continued to seven seven seven for an action of the place that a seven seven

Atlanta, Ga. Anemar 22 cees to the child assume that a superfer on my face for some year, extending from one check bone across the noise to the other. It has given me a creat deal of pain, at times burning and inching to such an extent that it was almost unboarable. I commenced using Swift's Specific in May, 1885, and have used eight bottles. It has given the grantest relief by removing the unaummation and restoring or general health. W Bannes.

Knexville, Iowa, Sept. 8, 1885.

And while form, Sept. 8, 1883.

For many years I was sufferer with cancer of the mass, and having been cured by the use of S. B. S. I feel constrained by a use of duty to suffering humanity to make this wasteness of my case. With the four-teenth bottle the cancer began to heat rapidly and soon disappeared, and for extent months there has been no specialized as acre of any kind on my mose of face, nether is my nose at all tender to the touch. I have taken shout two dozen bottles 8. S. and am anoundly cased, and I anow that S. S. effected the cure after every known remedy was tried and had failed.

Fort Gaines, Ga., May I, 1855.

Fort Gaines, Ga., May I, 1855.

I had heard of the wonderful cures of healt's Scientife, and resolved to try it. I commenced taking it in April, 1884. My great health was much improved, yet the cancer which was in my breast continued to grow slowly but surely. The bunch grew and became quite heavy. I felt that I must el her haven cut or die. But it commenced discharging quantities of simust bleck, thick blood. It continued healing around the edges until February, when it was entirely healed up and well.
